

## Method and Apparatus for Vehicle Operator Performance Assessment and Improvement

### Abstract of the Disclosure

5

A method of assessing vehicle operator performance includes the steps of receiving vehicle operating data (502); monitoring an interior portion of the vehicle and receiving operator activity data from the interior portion of the vehicle (504); receiving vehicle environment data from the environment  
10 external to the vehicle (506); monitoring the vehicle operator and receiving operator condition data (508); and determining an operator assessment value (510). The operator assessment value is based upon the vehicle operating data, the operator activity data, the environment data and the operator condition data and is indicative of vehicle operator performance.
